

Boy Scouts of America Troop 692 Class A Uniform Information

The Class A uniform is an important part of Boy Scouts. The Standard BSA Class A Uniform is worn at almost all Scout Functions, unless the Troop's Class B T-shirt (or another Boy Scout T-shirt) is specifically approved. New uniforms can be purchased at the local Scout Shop in Apopka, at a Uniform Distributor, or over the Internet at www.scoutstuff.org. Prices vary slightly at the different outlets, but are all similar. 'Experienced' uniforms may sometimes be found online at sites such as eBay.

All Scouts are required to have a complete uniform. It is **REQUIRED** to be worn for Troop meetings, Scoutmaster Conference, Board of Review, Show and Sells, Patrol Leader Council Meetings, while traveling to and from scouting activities (including campouts), and Court of Honor. *Jeans, non-BSA green pants, sweat pants, gym shorts, cut-offs, and open-toed shoes are NOT permitted.* A Merit Badge Sash is not needed until the second year. The Patches can be either sewn or ironed on.

There are two options for pants: Boy Scout shorts or 'Switchback' pants (convertible between long pants and shorts by zip-off legs). We recommend the Switchbacks for best versatility, as it is cooler during some of our Winter Campouts. The Switchbacks do need to be hemmed for length, but this will allow the leg length to be adjusted as your Scout grows! Also, keep in mind your son will be wearing his uniform throughout his Scouting career, so plan for some growing room when picking sizes!

According to the Troop 692 Bylaws, each scout is **REQUIRED** to wear the following Class A Uniform:

Tan Short or Long Sleeve Shirt
Central Florida Council Shoulder Patch
World Brotherhood of Scouting Patch
Boy Scout Shoulder Loops (provided by Troop)
Socks (Regular, not Low-Cut)
USA Flag Patch (comes on shirt)
Patrol Patch

BSA Pants or Shorts
Unit Numbers "6 9 2" (provided by Troop)
Neckerchief (provided by Troop)
Neckerchief Slide (provided by Troop)
BSA Belt (if not included on pants/shorts)
Current Rank Patch
Other Approved Temporary Patches (only one)
